Education

Degree/Certificate	Institute/Board	CGPA/Percentage	Year
Bachelor of Engineering	KLE Technological University, Hubballi	8.08	2024 – 2027
Diploma in Engineering	K H Kabbur Institute Of Engineering, Dharwad	9.52	2021 – 2024
SSLC	Government Adarsha Vidyalaya, Kalaghatagi	88.64%	2021

Experience

- **Athreya Technology | Full Stack Developer Intern (Team Lead)** *Jan 2024 – May 2024*
  Hubli, Karnataka
  – Led the development of **NestFix**, a full-stack home services platform using HTML, CSS, JavaScript, JSP, and MySQL.
  – Developed a ticket booking and tracking system with real-time status updates and workflow management.
  – Built a role-based provider and admin management system for service approvals and platform operations.

Projects

- **Intelligent Task Offloading in Edge–Cloud Continuum | GitHub** *2025*
  – Developed a hybrid task scheduling framework combining MILP optimization and Deep Q-Learning for intelligent edge–cloud offloading.
  – Built a 5G edge computing testbed using Open5GS, srsRAN, Kubernetes, and Docker to evaluate scheduling performance.
  – Designed a data collection and processing pipeline across edge nodes to feed scheduling decisions in real time.
  – Optimized task placement using resource-aware metrics, improving throughput and reducing response time over baseline methods.

- **Kannada Handwritten Word Recognition using CNN–BiLSTM with Self-Attention** *2025*
  – Developed a CRNN-based handwritten word recognition model combining CNN, BiLSTM, and Self-Attention for Kannada text recognition.
  – Improved model performance using mixed-precision training, adaptive label smoothing and SWA.
  – Achieved **0.95% Character Error Rate (CER)** and **6.09% Word Error Rate (WER)** on the IIIT-Indic-HW-Words dataset.

Technical Skills

- **Programming Languages:** C++, SQL, Java (OOP's)
- **Systems & Networking:** Operating Systems, Computer Networks, Open5GS, srsRAN, UERANSIM
- **Cloud & DevOps:** Docker, Kubernetes, Git
- **Web:** HTML, CSS, React
- **Databases:** MySQL, MongoDB

Achievements

- **WiDS Datathon (2025):** Secured 32nd place on the Public Leaderboard and 147th place on the Private Leaderboard among 1,075+ global teams.
- **2nd Place – Deshpande Onest Hackathon (Sep 2025):** Won ₹50,000 for developing an innovative employment solution targeting rural workforce challenges.
- Presented "**Intelligent Task Offloading in 5G-Enabled Edge–Cloud Continuum**" at ICAN 2026, Chitkara University, in collaboration with Springer Nature.
- Presented "**Kannada Handwritten Word Recognition using CNN–BiLSTM with Self-Attention**" at CRCACS 2026, Jaipur (IET, Scopus-indexed Proceedings).

Certifications

- Juniper Networks Certified Associate – Junos (JNCIA-Junos)
- AWS Educate: Introduction to Cloud 101 – Amazon Web Services
- Introduction to Cybersecurity – Cisco Networking Academy
